

I listen to K-LOVE on 89.5 in the El Paso, TX market area every day. It provides an uplifting and positive Christian message to me which is very important to me. I would be very unhappy to have this station displaced by an LPFM broadcaster providing different programming. K-LOVE on 89.5 serves the El Paso Christian community with excellent programming; something we are not getting from any other radio station in this market. This community supports K-LOVE with our financial gifts to keep it on the air. Please do not take this station away from our community by giving LPFM priority over FM translator service, I want my K-LOVE!!  
Thank you,  
Anita Werner
